MV Transportation Donates 100 Thanksgiving Dinners to Elk Grove Food Bank Services

MV Responds to the Need to Meet the Busiest Thanksgiving Season in the Food Bank's History

Fairfield, Calif., (November 12, 2010) - MV Transportation, Inc. has partnered with Elk Grove Food Bank Services to provide local families in need with Thanksgiving dinners. On Saturday, November 20, MV Transportation's Elk Grove employees and volunteers will hand out 100 Thanksgiving dinners between 10:30 a.m. and Noon. Each box will contain a turkey and Thanksgiving trimmings to feed a family up to 8 people. MV Transportation is the provider of Elk Grove's e-tran service.

"Throughout the year, MV Transportation and its many divisions give back to the communities we serve through charitable giving and volunteer hours. When we learned that the Elk Grove community was in need this year, we did not hesitate to jump in," said Nikki Frenney, SVP of Public Affairs at MV.

Marie Jachino, Executive Director for Elk Grove Food Bank Services, was pleased to learn of the Thanksgiving partnership "With the weakened economy, the food bank receives hundreds of new clients each month," stated Jachino. "MV's generous contribution will give 100 local families in need a chance to enjoy the holiday without worrying about how they'll feed their families," she said.

MV transportation's Elk Grove employees will continue their efforts through the holiday season with a food and clothing drive.

The Thanksgiving dinners will be distributed on a first come, first serve basis to the first 100 families on Saturday.

"We would like to thank The Grocery Outlet in Elk Grove for helping us put together the Thanksgiving boxes. We were able to make our donation stretch much further this way," Frenney said.
